

Stephen Leininger, Counselor
LMHCA

Prior to his transition to full-time Christian counseling, Stephen spent eighteen years in pastoral ministry, serving in three different congregations. Since completing his Master's in Clinical Mental Health Counseling, Stephen has worked with children, adults, teens, and families from all walks of life.

He has counseled those struggling with marital problems, bereavement, trauma, anxiety, depression, addictions, career decisions, and spiritual development.

His passion is to help people experience the healing and transforming power of God's grace.

He has been blessed to be a husband to his college sweetheart for more than twenty years and a father to their three wonderful children.
