connecting people to Jesus and to one another

Worship Services 9:00 am • Sunday School & Adult Bible Fellowship 10:20 a.m.

Greetings! I trust that your school year is going well for you and that you are learning much that will help you honor Christ with your life. Your family at Stroh Church of Christ wants to encourage you in your future educational pursuits. We have established a Scholarship that will help our young people get a Christian College education. We know that the state-funded colleges can be cheaper in cost, and they are able to offer more degrees, but they also offer something that we want you to avoid. They teach a philosophy of life that stands in opposition to Christianity. Many Christian students have lost their faith while in college, due to the agenda of liberal professors.

We are willing to contribute to your college education if you choose to go to one of the Christian church/church of Christ colleges. This reward is available to you after your first successful and completed semester. You may be aware of a few of them. There are more than I will list here. But these are some of the ones that might interest you.

Cincinnati Christian University	Ohio
Kentucky Christian University	Kentucky
Lincoln Christian University	Illinois
Great Lakes Christian College	Michigan
St. Louis Christian College	Missouri
Ozark Christian College	Missouri
Central Christian College of the Bible	Missouri
Dallas Christian College	Texas
Milligan College	Tennessee
Johnson University	Tennessee/Florida

There are others, so if you are interested, I have a book that lists them.

I am enclosing the Scholarship Guidelines so that you know the amount of money that could be available to you. We offer more help to those pursuing a ministry degree, because we know that we need more people trained for ministry. That doesn't necessarily mean preaching ministry. It could be missions, youth ministry, music ministry, etc.

If you have questions, please give me a call.

In Christ,

Mark Hamm
Associate Minister
